All Students and Parents

Subject: Conduct of Mock Drill on Disaster Management

This is to inform all students and their parents that, in accordance with the official instructions received from the District School Education Officer (DSEO) and the Deputy Commissioner, South West Garo Hills, Ampati, the school will be conducting a mandatory **Mock Drill on Disaster Management** on **Tuesday, July 28, 2026**.

The primary objective of this exercise is to educate and prepare our students and staff on essential safety protocols and emergency response measures in the event of a disaster.

Important Instructions:

- All students must be present in school on this day to participate in the drill.
- Students are expected to maintain discipline and strictly follow the evacuation and safety instructions provided by the teachers and drill coordinators.
- Parents are requested to ensure their children attend school on this day, as this is a crucial life-safety exercise.

Your cooperation in ensuring the safety and preparedness of our school community is highly appreciated.

Thanking you,

Yours Faithfully,

Headmistress
